The information is current through 09/15/2026

IQ/DI Community: Income Qualified, / Disproportionately Impacted Communities

---

Programs may include budget minimum spend for income qualified customers or customers living in a disproportionately impacted community.

---

†Standard Offer General percentage represents budget available assuming all in-progress applications are completed. Only one 4 MW application has an executed interconnection agreement as of this publishing, representing less than 2% of the Standard Offer General budget.

---

†C&I = "Commercial & Industrial"
